

Some Slug!

Craig, Mo., Sept. 24, 1912.—Craig was defeated here last Sunday by the fast Lake Parks, of St. Joe, by the top heavy score of 17-0.

It was an ideal day for the national game, but my how the teams punished the game was awful.

Both teams seemed to bat their opposing pitchers at will and stolen bases piled up with impunity.

It was a see-saw game till the seventh, when the Parks piled up six runs on Thileman and Roberts and clinched the game. Riley for the Parks wasn't so stingy with the hits and allowed the Craig boys eleven hits.

As to the pep of the teams there was none. Manager Allen might have tried cultivating black pepper for the last game and had some interest stirred up among the players.

The tabulated score:

NOTES ON THE GAME.
For the last game of the season the crowd was rather slim and should have been better attended.

Murphy, a Mink leaguer, cavorted around the short field for Craig.

The team seemed rather incomplete without R. D. Strickler in the game. R. D. is always there with the pep and keeps the rest enlivened all the time.

Craig's dog mascot delayed the game in the third by running away with the ball. We don't know whether he signaled for a fair catch or not.

From the amount of wild heaves the players made during the game, one would think they were practicing for some weight-throwing contest on an Olympic meet.

Craig's Germany Shaeffer, J. Odell, was on the bench suffering from a strained arm. We sure have missed Johnny's work on the coaching lines.

We noted the sensational catch of May in the third of T. Strickler's short fly in left garden.
